

OUR MISSION

Neighbors of Hope is a faith-based non-profit organization whose purpose is to provide transitional housing for the homeless, life transformation for the addicted, and Christian compassion for the poor and disenfranchised.

WHO WE ARE

Complex problems call for complex solutions. Neighbors of Hope provides these solutions through a comprehensive suite of Christ-centered programs and services for our most vulnerable neighbors, including a men's transitional housing program, addiction recovery program, resale store, food pantry, and donation center.

DONATION & RECYCLING CENTER

HOW IT WORKS

DONATION PROCESS

- 1 Donations will be sorted by program guests, volunteers, and staff before being accepted.
- 2 Items able to be sold are kept and stored in inventory for Blessings & More.
- 3 Items that are unable to be sold, we recycle, or repurpose through our partnerships with other organizations!

With the capacity to bale and recycle the excess clothing donated for Blessings & More, we can steward our resources more effectively, create employment opportunities for our program participants, and produce additional revenue to invest in the ministries of Neighbors of Hope.

More donations = more revenue to fund our transitional housing, addiction recovery, and food assistance programs.
